She was a blue moon and i was howling for her, I was bound by her power. But we also have a lot of very funny people working on it who bring a lot of funny insights. Topics include gender analyses of current trends in armed conflict and terrorism; links among war economies, globalization and armed conflict; the manipulation of gender roles to fuel war and violence; gender and livelihoods in crises; masculinities in conflict; sexual and gender-based violence; women's rights in international humanitarian and human rights law; and peacebuilding.

Excerpt from the curatorial text by Dimitrina Sevova and Alan Roth. Today, with the emphasis which is rightly given to the laity, there exists the danger of leveling the charisms in the Church. I set my heart and my eyes totally on the Lord.

Richard is a person who loves performances and ceremonies.
