WORDROCKETS!: give your vocabulary some lift off

That's all I really need 'Cause I got faith, that's all I'll ever need Faith is the substance of things hoped for, and the evidence of things unseen But I understand that you cannot comprehend how I can put faith in something I cannot see But think about it, you breath in you breath out, that's air it's no doubt In and out of your mouth you can't see it I trust what He say, He's not in the grave Rose on the third day, best believe it And it might take some time for you to change your mind You might be on your death bed, might be on your last leg And you will ask the question, how did I get here Where am I goin' when my heart stops But you should figure that out way before then 'Cause time is your enemy, and death is his friend And you could live your best life, right here right now Fall into the arms of your Father and He'll show you how I, I can do all things Through Christ who strengthens me Through Christ who strengthens me, yea 'Cause I got faith, yea. The rest of the night went the way parties usually go, nothing entirely remarkable happened.
