In fact, studies suggest that even those successfully  
vaccinated, and therefore unable to get sick themselves from  
contracting the disease, can STILL carry the disease and  
spread it to. Even though these data demonstrate that men  
still have the most powerful positions in organised sports, in  
summarising the last ten years, women seem to have developed  
more and more influence in the sport organ- isations. Fifty  
years later, the Reponse d'un bon et loyal Francois even  
attacked the English for composing the treaty of Troyes in  
Latin, given that 'le roy, la royne, madame Katherine et la  
plus grant partie des nobles' could not understand that  
language. Every circumstance in every present moment in each  
person's life has been known to Me from the beginning of time.
