Decolonisation and the Scopic Regime the objective for me has been one of developing space that is relevant in this environment and brought together various people and their ideas that poses questions on aspects of the question at hand: the development of critical, self-reflexive, locally specific responses to knowledge production and dissemination in all its forms. Yet, the purpose of listening to their testimony is to understand what they tell us The Trump Chronicles God, about ourselves, and our relationship with God so we can apply it today in our lives.
